

Davidson School of
Chemical Engineering

Undergraduate Student/Minor Researcher Safety Contract

(to be kept with the safety records of the lab)

I, _____, agree to the following terms stated below to perform research activities in FRNY _____ [add lab numbers] in the Davidson School of Chemical Engineering.

- I certify that I have completed and logged the Initial/Refresher Training required by the department as instructed
 - <https://engineering.purdue.edu/ChE/academics/undergraduate/employment>
 - Check under safety training
- I certify that I will wear appropriate PPE while performing lab work as identified in the PPE Training
- I understand that I will not work alone in the lab and will not perform any tasks I have not been trained for.

I understand that my failure to follow these guidelines and/or not following safe practices may be grounds for suspension of my research privileges.

Student Name: _____
